built-in microwave oven

Our black glass microwave oven is designed to complement your kitchen. Simple to use and made of the finest materials, with stainless steel used internally, this microwave is easily cleaned and maintained. Because microwave oven units are usually fitted to supplement the built-in oven, it is especially important that they match in design and colour. ILVE appliances are renowned for forming a perfectly integrated family of built-in appliances. That's why this microwave comes with an integrated trimkit to build in with your choice of ILVE oven.
