ILVE’s new 200 Series double oven are the culmination of 2 years of research and development to bring Australian homes an oven that has the technology, sophistication and appearance that embodies the ILVE brand whilst having many functional advantages over its competitors.

The new size of the cooking cavity provides more cooking space and maximises the full internal size of the oven. Our new ULTRA-Clean light grey, nickel-free enamel interior reduces the toxicity of materials in contact with foods and is easy to clean. ILVE’s Tangential Ventilation System (TVS) smartly circulates air around the oven to ensure protection of your kitchen cabinets. Standard in the oven are Telescopic racks and are totally removable making the use of the ovens baking trays and general cooking in the oven easy and effortless. The Full size inner door glass provides a panoramic view from the outside of the oven door of what is inside the oven, its fill width also enables easy cleaning with no crevices for food scraps and residue to get trapped.
60cm Built-in Double Oven (Top Pyrolytic)
