90cm Gas Cooktop with Stainless Steel Surface
ILSS905

Bevelled Edge Finish
The entire outer edge of the hob is bevelled, bringing an appealing design finish to your kitchen surface.

Superinox Stainless Steel
The Superinox surface is constructed from a 4.8 mm thick sheet of steel, with a wide pattern brushed finish and diamond-edged bevel.

High Powered Wok Burner (Dual)
Perfect for cooking with broad-based pans and Wok pans. Controlled by Dual control knob it allows you to just use the inner ring with small pans for simmering sauces or the entire burner for intense high heat cooking.

Individual Cast Iron Trivets
The individual square-based trivets provide excellent stability for the pots. Thanks to their heavy duty construction, they are durable and long lasting.

Brass Burners
More efficient than regular burners, they provide improved gas flow and power use without increasing consumption.

Cast Iron Cradle
Essential for cooking with small pans or for using traditional coffee pots, this new cast iron cradle provides improved stability.

Steel Burner Housing
The steel burner housing keeps glass away from heat source and collects liquid due to accidental spills.
Model ILSS905
5 Burner Gas Hob

Performance
• highly efficient Brass burners
• solid brass wok burner with dual regulator for inner and outer flame
