Combining the latest in cook top technology with ILVE’s versatile ovens, you’ll find yourself running out of things to cook with ILVE’s PRO-Line cooking range. Italian design and the superior quality synonymous with all ILVE products ensure this is no ordinary kitchen appliance.

ILVE’s pioneering freestanding ovens incorporate chef quality features that will delight any aspiring home chef or want-to-be kitchen master. Culinary heights once thought unobtainable are now within reach with features such as the pizza and bread cooking function, rotisserie and new improved precision thermostatic technology boosters, scorching from 0-250°C in an instant.

ILVE’s Upright oven’s even include a ULTRA-Clean enamel interior, triple door glazing for safer & cooler door temperatures and a cool touch athermic door handle.

Functionally simple to use and a breeze to cook with, ILVE is truly the next generation in cooking.
MULTIFUNCTION OVEN CONTROL

Delayed start and stop with the programmable timer. 9 cooking functions.

COOL DOOR WITH REMOVABLE TRIPLE GLASS

Safe for children, perfectly insulated thanks to the three glass panes, easy to clean thanks to the new structure of the door.

MATT BLACK COOKING SURFACE

Unique to this cooker is our ultra stylish matt black Nano Technology cooking surface

BURNERS WITH DOUBLE LINE OF HOLES AND SLANTED FLAME

Perfect release of power and optimal distribution of the heat.

HOB STRUCTURE IN AISI 304 STEEL WITH A THICKNESS OF 10/10

Stamped from a single steel sheet for an easy cleaning process and an increased safety, obtained by removing sharp edges and corners.

BRASS BURNER RING

Brass is a noble material that guarantees excellent durability and the non-stick nano technological coating facilitates easy cleaning.

QUICK START & DEFROST

Fast oven preheating function to quickly reach the desired temperature. With a temperature of 30/40° it also perfectly defrosts your frozen meats.
