**77CM GAS COOKTOP WITH GREY GLASS SURFACE**

**Bevelled Edge Finish**
The entire outer edge of the hob is bevelled, bringing an appealing design finish to your kitchen surface.

**Tempered Glass Surface**
Constructed from an 8 mm sheet of tempered glass which provides stability, safety, strength, elegance and style to our range of gas on glass hobs.

**High Powered Wok Burner**
Perfect for cooking with broad-based pans and Wok pans it allows you to just use the low setting with small pans for simmering sauces or the entire burner power for intense high heat cooking.

**Individual Cast Iron Trivets**
The individual square-based trivets provide excellent stability for the pots. Thanks to their heavy duty construction, they are durable and long lasting.

**Brass Burners**
More efficient than regular burners, they provide improved gas flow and power use without increasing consumption.

**Cast Iron Cradle**
Essential for cooking with small pans or for using traditional coffee pots, this new cast iron cradle provides improved stability.

**Steel Burner Housing**
The steel burner housing keeps glass away from heat source and collects liquid due to accidental spills.

**COLOUR PALETTE**
- Available in Grey Glass
