With ILVE Gas Cooktops, you can simmer at the lowest temperatures that your recipe calls for or go to searing heat instantly. With precision heat you'll have perfect cooking control. Cleaning is easy! There are fewer food trapping cracks and crevices allowing for easy wipe maintenance. The trivets, burner caps and supports are removable and easily cleaned either in a dishwasher or by hand.

A stainless steel finish ensures this cooktop will co-ordinate beautifully with the design of other ILVE appliances. ILVE have maintained their core values as a family owned business and continue to manufacture appliances that represent the most pure thing in a family – dinner time! The kitchen is, and should always be, a place in a time where the family meets and shares.
