ILBC142BV: Black glass, left hand hinge pictured

The ILVE's Beverage Centre makes up the newest addition to the impressive wine and beverage storage ILVE collection. Allowing you to store Beer, Soft Drinks or Sparking Wine at an optimum humidity and temperature controlled environment and boasting an impressive array of features with the sleek-look that is signature of ILVE appliances, this Beverage Centre is sure to become a household necessity.

The size specifications and stainless steel finish of ILVE's new Beverage Centre have been designed to compliment all other ILVE appliances; especially the New ILVE Wine Cellars. The Beverage Centre features a thick toughened glass double glazed door that keeps temperature and humidity at optimum levels on the inside and is not affected by the temperatures generated by the weather.

Other key features include an internal white LED light and electronic control panel, as well as metal shelves that can easily house your preferred drop!

ILVE is renowned for creating home appliances that set the standard for style, innovation and durability and the new Beverage Centre is no exception!
